ANNUAL REPORT

ServeHaiti

01

Our Mission

To foster health and development opportunities for the people of Grand-Bois, Haiti.

Our Vision

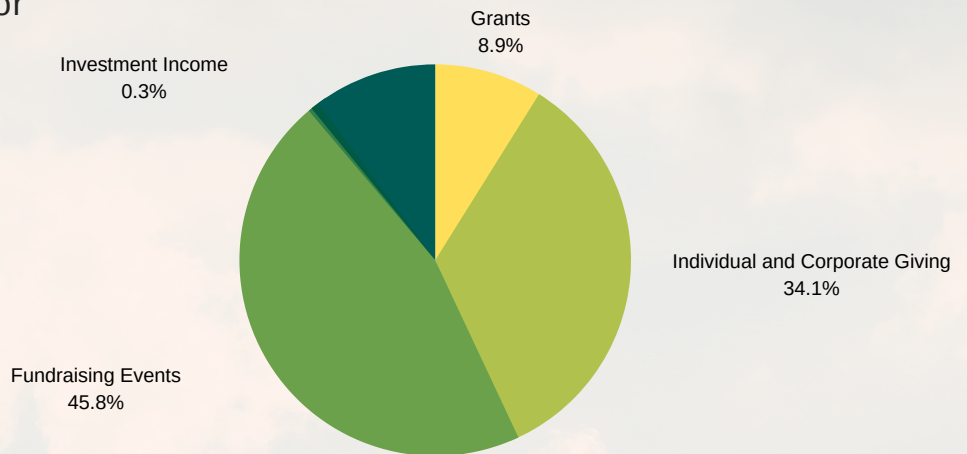

Our vision is for Grand-Bois to grow into a thriving, self-sustaining mountain community where every man, woman and child has access to healthcare, a quality education, economic opportunities, clean drinking water and nutritious food. By working together with our Haitian partners, we are committed to helping alleviate unnecessary human suffering in this impoverished region.

02

\$500,795

Net revenue, gains, and other support without donor restrictions

\$562,997

Total annual expenses

Impact

03

14,937

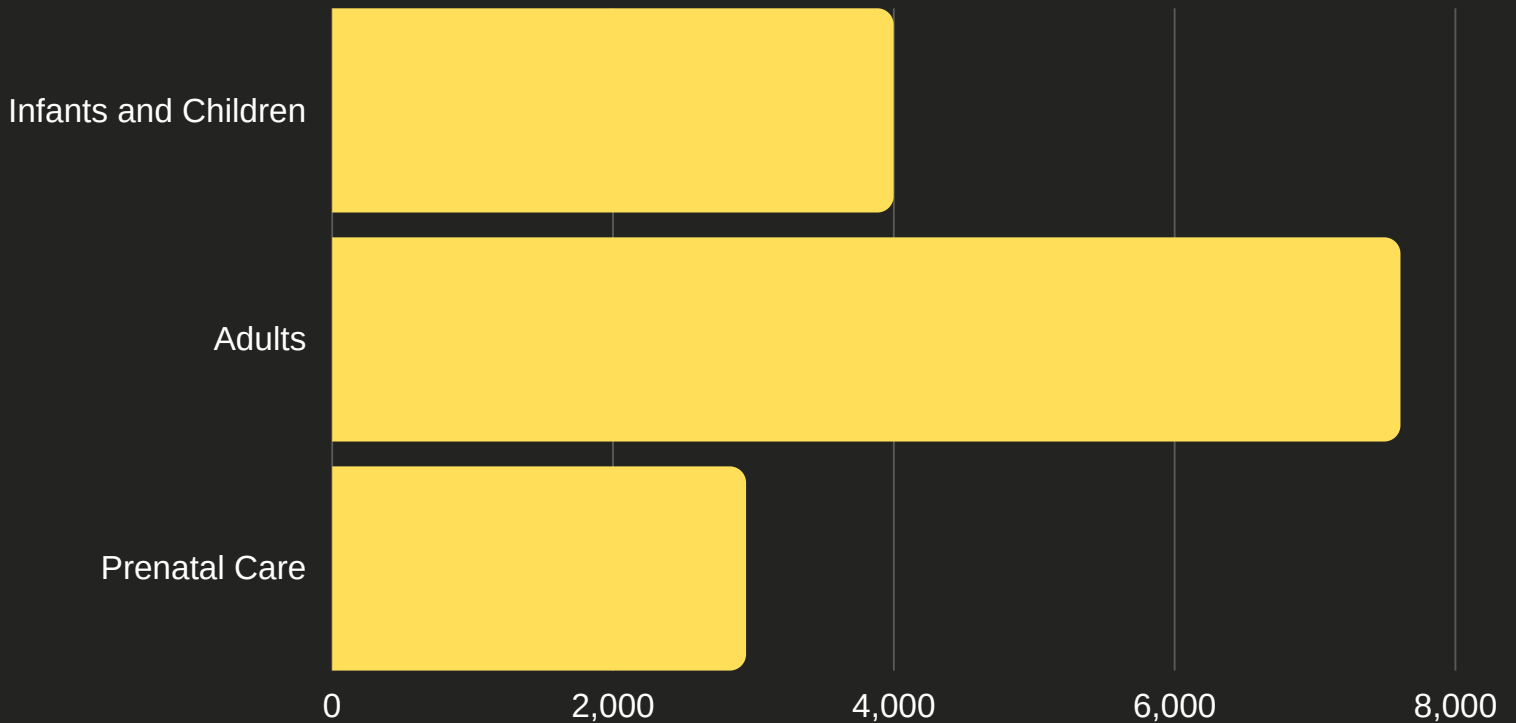

Total patients seen at the Health Center

402

Babies born at the Health Center

21,628

Home visits completed by ServeHaiti Community Health Workers

Milestones

04

July 2019:

A Gift of Water training seminar was conducted in July for local technicians. The education will help us achieve our goals of cleaner and more accessible water and cholera prevention in Grand-Bois.

August 2019:

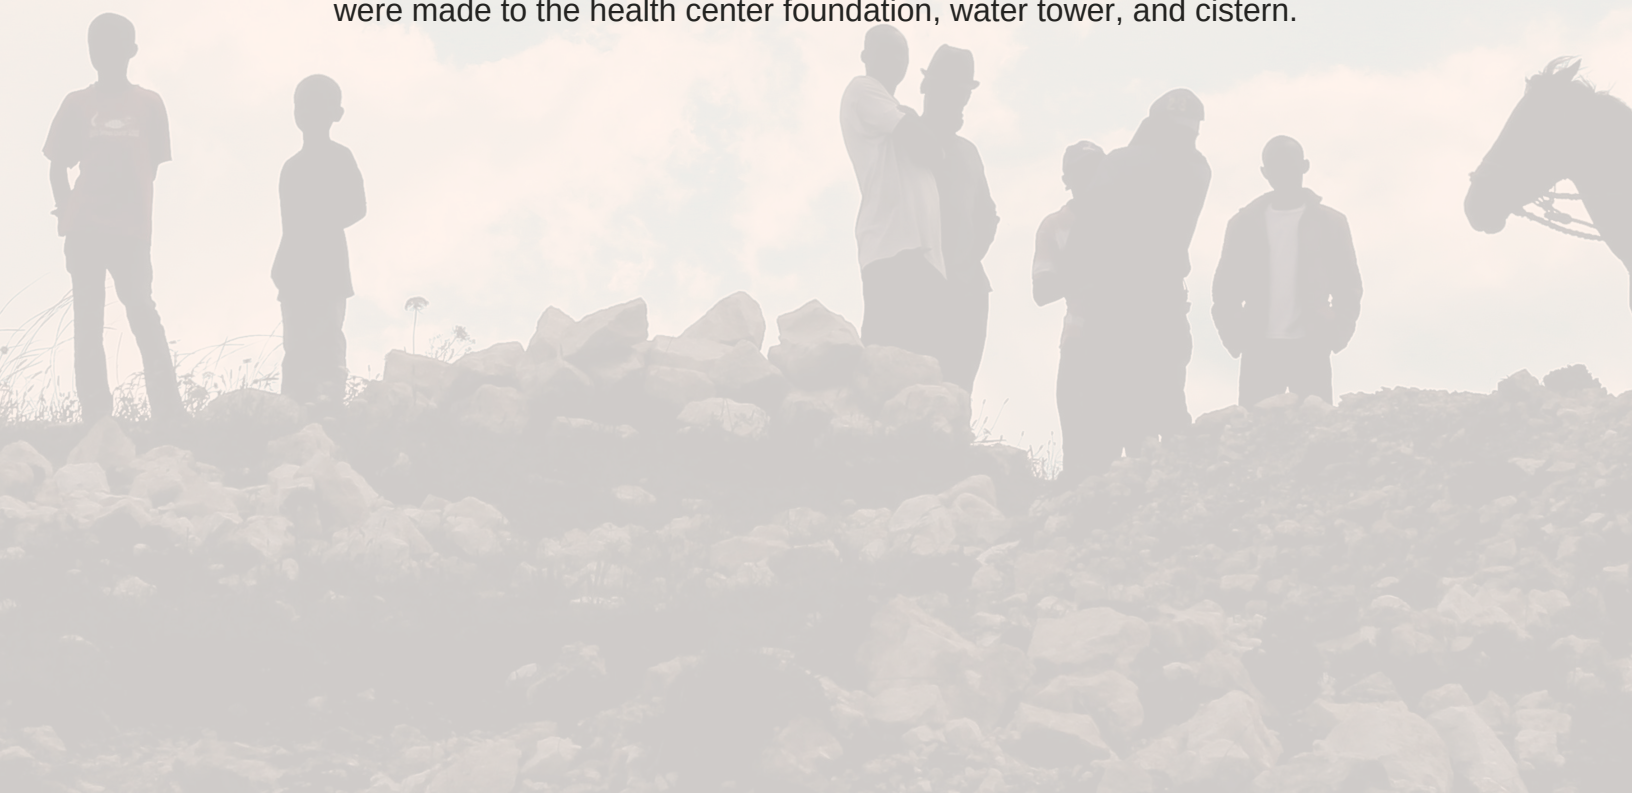

The children at the community school in Les Palmes have a brand new school! ServeHAITI is thrilled to finish re-construction and add 3 upper grade classes so that students no longer have to walk 3 hours to attend 7th, 8th, and 9th grade.

September 2019:

ServeHAITI is coordinating regional efforts (Government and Water with Blessings) to provide water filtration systems to more households with a focus on improving our Gift of Water program.

Winter 2020-2021:

ServeHaiti learned of multiple structural repairs needed for the Health Center, likely related to damages incurred after a series of earthquakes beginning in 2010. Repairs were made to the health center foundation, water tower, and cistern.
